Dear Sir/Madam:

Anglo Singapore International School and the Anglo Debate Society are pleased to have the opportunity to invite your institution to the 1st Asia World Schools Debating Championship 2013. This is our flagship tournament that will be held annually. The theme for the tournament is ***Youth Activism: It's Our Turn.***

It will be hosted in Bangkok, Thailand from 1st August 2013 - 8th August 2013. Already, several international teams have expressed interest in participating and we are expecting approximately 200 participants.

The competition is based upon the format followed by the World Schools Debating Championships, where all debates take place in English and each institution can submit a team consisting of 3-5 students. There will be 7 preliminary rounds and the top 16 teams will compete for the championship in single elimination playoff rounds. The tournament will also include a welcome cocktail, a break night and championship dinner, as well as optional tours.

Please do not hesitate to contact us with any questions at awsdc2013@gmail.com. Also, please look out for updates on our Facebook page "1st AWSDC Thailand 2013". The official website for the tournament is <http://www.awsdc2013.weebly.com> and you may register online as soon as possible so that we may deliver the best logistics for all the tournament participants. We hope that your institution will be able to join us and we look forward to your registration in the 1st AWSDC 2013!

Sincerely,
